

1" (25mm) DUCTILE IRON DI A536 AIR RELEASE VALVE

THREADED, NPT, 300 PSI, UL/FM, RED

PRODUCT OVERVIEW

The MECH 1" (25mm) Ductile Iron DI A536 Air Release Valve is designed for reliable automatic air release in pressurized piping and fire protection systems.

FEATURES

 Ductile Iron ASTM A536 Body

 1" (25mm) Size

 Threaded Connection

 NPT Thread Standard

 Max Working Pressure: 300 PSI

 UL/FM Approved

 Color: Red

TECHNICAL SPECIFICATIONS

Product	Air Release Valve
Size	1" (25mm)
Body Material	Ductile Iron DI A536
Connection	Threaded
Thread Standard	NPT
Working Pressure	300 PSI
Approval	UL/FM
Color	Red
Brand	MECH

APPLICATIONS

 Fire Protection Systems

 Pressurized Water Lines

 Piping Networks

 Air Venting Applications
